

REMAT Sports Premium Fund 2023/24

School: Garston C of E Primary School

REMAT Sport Premium Tracker (2023/24)

We feel very strongly that achieving in PE is very important.

We expect all children to wear the school PE kit and all of our staff who teach or support in PE lessons wear the school kit too.

Our PE Curriculum:

A wide range of PE is delivered, aiming to include, engage and inspire all pupils. We believe in embedding positive experiences of PE, PA and Sport (PESSPA), through providing opportunities to take part, play and compete in a range of activities, providing pupils with the ability and sufficient understanding to lead prolonged active and healthy lifestyles. We are fully committed to ensuring that all pupils receive 2 hours of high-quality, well-planned PE per week, delivered by a PE specialist and supported by confident and well-trained staff. We have an up-to-date PE Scheme of work to reflect the requirements of the National Curriculum.

Sustainability:

We aim to use this money to create a sustainable model of PE, Sport and PA for all children. Some of the money provided by the funding will be invested in the professional development of staff and as a result will enhance the quality of teaching for all children. We invite different specialists into our school, who coach teachers and work alongside them in a range of sports. Due to their influence and expertise, all teachers will have the chance to develop their teaching of PE and will team teach with a specialist to increase knowledge, confidence and competence.

Partnership Work / Competitions: Our school attends a plethora of sporting events and activities across the Liverpool area. We have multiple club links with local clubs and sport providers to ensure we provide opportunities for our pupils to experience different sports and avenues of PA, both in and outside of school time.

As well as our regular PE lessons, we provide a range of sport and PA based competitions and activities, in the form of 'PE Team of the Week' and 'Head, Hands & Heart' awards, lunch time activities such as 'Craze of the Week' and after school enrichment clubs to enhance interest and engagement in sport and PA across the school. We also provide Annual sports-days for EYFS, KS1 and KS2.

Participation: The school is keen to provide a wide range of extra-curricular opportunities for pupils. We have a number of sports teams that compete in local

competitions against other schools, including Girls and Boys football, athletics, swimming, cricket, dodgeball, tag rugby and basketball. Other after school clubs include KS1 & KS2 multisports, football, netball, gymnastics, dance, tennis, box fit, forest school and breakfast/after school clubs that include participation in PA. More Able: Talented children are signposted to local clubs e.g. athletics, football, cricket, basketball, swimming, gymnastics, hockey, golf and tennis. We also host and attend 'aspire' competitions aimed at engaging SEND pupils with sports and PA.

Sports Premium Summary Costs:

The aims of our spending are to:

1. Raise the profile of PE, School Sport and Physical Activity (PESSPA) across school.
2. Increase confidence, knowledge and skills of all staff in teaching and facilitating PESSPA.
3. Increase engagement of all pupils in consistent PA and sport.
4. Provide opportunities for all pupils to be included in a range of sports and physical activities.
5. Develop fitness and well-being through the participation of high quality lessons.
6. Develop sporting excellence by increasing participation in competitive sport (school teams/inter school and intra school competitions/extra-curricular clubs;/ocal club links)

Our school receives: £17,660
