

**Pupil Voice
You Said, We Did
2021/2022**

You said.....

We would like more
choice of food at
lunchtime,

So we.....

Reviewed our catering options and have
now opted for a new catering supplier with
new menus and a lot more choice.

You said.....

We would like
more space to
play

So we.....

Created a new playground providing more
space for us all to play.

Our children said 'we would love a new
playground' Here are some of the children
trying out the finished product! Watch this
space for more...

You said.....

We would like more
sport competitions

So we.....

Entered in a boys and girls football
competition and are enjoying competing
with other local schools.

You said.....

We would like Jennifer
Killick to visit, she is
our favourite author

So we.....

Arranged a zoom with Jennifer Killick.

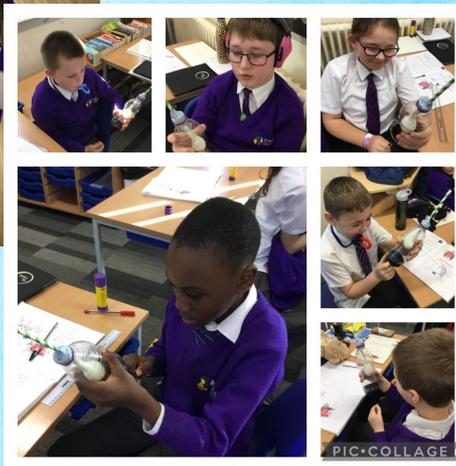

You said.....

We would like more
Science
investigations

So we.....

Reviewed our Science plans and added
more investigations.

You said.....

We would like more
Science
investigations

So we.....

This afternoon, we experimented with dissolving sugar in water at different temperatures. We made some brilliant observations and found that hotter water helped us to dissolve more sugar at a faster rate.

#Y5Scientists @GarstonCE @RainbowEduMAT
@MissFlynnREMAT @MrsJacoGarston

@MissFlynnREMAT

In our science lesson today, we mixed together some sand and sugar which should have been kept separate

To fix our problem, we dissolved the sugar in water and separated it using filter paper and a funnel. Now, we have to evaporate the water and get our sugar back!

You said.....

We would like the trim trail to be repaired.

So we.....

Have asked you to get creative and plan and design your own playground equipment. Using lots of creativity and design technology skills.

You said.....

We would like
more trips.

So we.....

Planned out the enrichment activities
for the year and ensured that every
year group attends a least one trip this
year.

You said.....

We would like
more trips.

So we.....

You said.....

We would like more
time to read for
pleasure.

So we.....

Introduced Books of Advent and shared a new book each day during Advent. We took part in the Garston Reading Challenge.

Garston's Reading challenge

Read or listen to three books, create a book review for each and you will win a surprise treat!

Read or listen to five books, create a book review for each and you will win a copy of your class novel!

Read or listen to ten books, create a book for review for each and you will win a copy of your class novel and a special pizza treat!

The more that you read,
The more things you will know.
The more that you learn,
The more places you'll go.
—Dr. Seuss

You can find the book review templates on your class blog or receive a printed copy from your class teacher.

The challenge ends Monday 20th December

You said.....

We would like more
time to read for
pleasure.

So we.....

Introduced a book club and timetabled
the Secret Garden at break times for
year groups to use.

You said.....

We would like a
computing club

So we.....

Set up an after school computing club
